**INTERSTATE 10 WIDENING PROJECT WILL REQUIRE EXTENDED
TEMPORARY LOCAL STREET CLOSURES IN REDLANDS**

The Interstate 10 widening project will require extended local street road closures in Redlands:

- **Citrus Avenue – November 2-3, lane closures, 7 am to 5 pm and full closures, 7 pm to 5 am**
Bridge work will require lane closures on Citrus Avenue east of University Street, November 2 and 3 from 7 am to 5 pm and full closure from 7 pm to 5 am. During the lane closures, at least one travel lane will be maintained in each direction. Motorists can use University Street and Cypress as an alternate route during the full closure. Pedestrian access also will be provided on one side of the street. Please follow all posted signs and cross the street only at designated areas.

Please follow posted signs and drive carefully through the construction area.
